To whom it may concern,

I strongly recommend my colleague, Lakesha Lucas, for employment. I have had the pleasure of working alongside her for 2 years at William E Doar Jr Public Charter School, where she has been entrusted with a great deal of responsibility. I have had the opportunity to observe Lakesha's professional skills as well as interpersonal style. She is consistently pleasant when addressing co-worker and parent issues. I wish that all my co-workers had her passion for uplifting youth and the community.

While I will surely miss seeing Lakesha working alongside the children, she has earned the opportunity to further her career in any way possible.

Very Respectfully,

Tiffany Evans
